

# THE SEA DRAGON COAST

(Words and Music by Sandi McMenamin © April 2005)

1. In the waters of southern Australia  
A mystical creature resides  
Small and fragile, with seaweed-like wings  
There in the sea-grass it hides.

2. Sheltered under the Rapid Bay jetty  
The leafy sea dragons dance  
Whenever someone cares for the planet  
Giving our sea life a chance.

3. From Myponga down to Cape Jervis  
Parawa through Delamere  
Hiking the Heysen Trail  
Voices echoing say:

## **CHORUS**

**Come away to The Sea Dragon Coast  
Come away to the sea dragon's home on the bay  
Every view takes your breath away  
Walk awhile with the sea and the sand and the sky  
There's a paradise-look in your eye – on The Sea Dragon Coast.**

4. Golden beaches of Carrickalinga  
Forests and vineyards abound  
Rustic charm of old Yankalilla  
Cafés of Normanville town.

5. Ring the old bell, awake Second Valley  
To a feast of food, song, and wine  
From Deep Creek Park up to Inman Valley  
Celebrate! It's festival time!

6. In this part of southern Australia  
Where rugged cliffs greet the tides  
Sunsets light up the sea  
Sea breezes beckon to me.

**Come away to The Sea Dragon Coast  
Come away to the sea dragon's home on the bay  
Every view takes your breath away  
Walk awhile with the sea and the sand and the sky  
There's a paradise-look in your eye – on The Sea Dragon Coast.**

**La, de, da.....**

**Walk awhile with the sea and the sand and the sky  
There's a paradise-look in your eye – on The Sea Dragon Coast  
The Sea Dragon Coast.**
